"AfPP are delighted to be joining this cross speciality collaboration dedicated to the development and advancement of periop care. As an organisation we represent the multi-disciplinary workforce within theatres, which makes us a unique addition to the CPOC board. We see our multi-disciplinary approach as a strength that can be shared to support the ongoing cross-organisational work that CPOC undertakes for the benefit of the patient."

John Dade President, Association for Perioperative Practice CPOC Board Member

Welcome to The Association for Perioperative Practice

AfPP Join the CPOC Board

CPOC is very pleased to announce that The Association for Perioperative Practice have joined the CPOC Board as the newest member.

We warmly welcome John Dade as President of the AfPP as the Board representative. The CPOC Board look forward to welcoming John to the January 2022 Board meeting and working with the team to advance perioperative care.

We would like to take this opportunity to thank you for all your hard work and tireless dedication to improving the lives of patients around the UK throughout 2021.

Thank you for being part of CPOC and supporting our work as we drive forward the perioperative care agenda to improve surgical pathways to deliver patient centred care for the benefit of patients, while improving the efficiency, sustainability and cost of healthcare.

We look forward to working with you in 2022.
