Centre for  
Perioperative Care

*"The Centre for Perioperative Care brings together healthcare workers, patients and many others who want to work collaboratively to develop and promote the best possible care for patients who need surgery. As a team we have the chance to make permanent and positive changes to the health of patients and populations both now and for the future."*

**Dr Fiona Donald**  
**President, Royal College of Anaesthetists**

## *Peter's Journey: An example of Shared Decision Making in British Sign Language*
